Stamp Duties.

As the Internal Revenue Law in regard to stamp duties is not generally understood, and much inconvenience and actual loss to parties result therefrom, we publish below a carefully prepared statement of the law, in regard to every day transactions. This statement may be relied upon as correct, having been prepared for the Johnstown Tribune by R. H. Canan, Esq., clerk to the Collector of Internal Revenue for that District. Cut it out for preservation.

ACKNOWLEDGMENT OF CONTRACT. For each sheet of paper on which the same is written, requires a five cent stamp.
BANK CHECK. Without regard to the amount, two cents. An order drawn on any other person or company, or corporation, for any sum over \$10, requires a 2 cent stamp.
BOYNS OF CONSTATES, SUPERVISORS, OR ANY OTHER PUBLIC OFFICERS, require a \$1 stamp, and bonds indemnifying any sum of money require a 50 cent stamp for every thousand dollars or fractional part thereof.
PROMISSORY NOTES, DUE BILLS, &c., require a 5 cent stamp when the amount is not over \$100. If between \$100 and \$200, a 10 cent stamp, and an increase of 5 cents for every \$100 or fractional part of the same. No difference how small the amount of the note, it requires a 5 cent stamp. Under the present law, the amount of the stamp is regulated by the amount of the note, and not by the time of which it is given.
DEEDS. Where the consideration is less than \$500, a 50 cent stamp is required; when over \$500 and not over \$1000, a \$1 stamp, and an additional 50 cent stamp for every \$500 or fractional part thereof.

LEASES, OR AGREEMENT TO RENT PROPERTY, require a 5 cent stamp, if the term does not exceed \$300 per year. When the rent exceeds \$300, a 50 cent stamp is required for each additional \$200 or fractional part thereof. Leases for farms on the shares, and leases for coal and oil lands must be stamped according to the estimated yearly rental. All such leases should be presented to the collector of the district, who is authorized to estimate the rental and affix the appropriate stamp. Mortgages require the same stamp as deeds.
RECEIPTS FOR ANY SUM OVER \$20 require a 2 cent stamp, except receipts in satisfaction of any mortgage, judgment or decree of any court. The same stamp is required on a receipt for the delivery of any property.
POWER OF ATTORNEY TO RECEIVE OR COLLECT RENTS, REQUIRE A 25 CENT STAMP. To sell or convey, or rent, or lease real estate, a \$1 stamp, for any other purpose, 50 cents.
CERTIFICATES AND AFFIDAVITS require a 5 cent stamp. Judgments of the Peace should bear in mind that it is their duty to affix and cancel the stamp on all affidavits made before them, except when taken in suits or legal proceedings.
POSTAGE STAMPS cannot be used.
It is the duty of the maker of the instrument to affix and cancel the stamp. A failure to do so subjects him to a heavy penalty.
When two or more persons join in the execution of an instrument, any one of them can affix and cancel the stamp.

AGENTS WANTED.

FOR
HEADLEY'S HISTORY OF THE GREAT REBELLION.

THE late Rebellion stands out peculiar and extraordinary in human events; and the MASSIVE SCALE upon which the war has been conducted, constitute it one of the GRANDEST AND MOST BRILLIANT CHAPTERS IN THE WORLD'S HISTORY.
Mr. Headley, of all writers, is perhaps best qualified to portray the stupendous features of the mighty contest. His previous works on less momentous themes have placed him in the first position, as a GRAPHIC AND POWERFUL DEPICTOR OF WAR SCENES AND CHARACTERS, and the magnitude and grandeur of the present subject, impart to his pen the fire and vigor of a yet more exalted inspiration, and furnish ample scope for the highest EXHIBITION OF HIS PECULIAR GENIUS FOR MILITARY DESCRIPTION. Under his powerful pen the stirring scenes of the War pass in review with the vividness and distinctness of a present and living reality; while his graphic and powerful COMPARATIVES enable him to embody everything of importance in a COMPACT JUST SUITED TO THE PUBLIC TASTE. FROM NO OTHER SOURCE CAN SO CLEAR AND COMPREHENSIVE AN IMPRESSION OF THE GRAND MARCH OF EVENTS BE OBTAINED, SO easily and agreeably, as from Mr. Headley's work.
The Second Volume, completing the Work, (also complete in one volume), will be issued in March, 1866. Agents wanted to engage in its sale in every town in the United States. Its rapid and unparalleled sale holds out to INDUSTRIOUS AND PERSISTENT MEN the most SATISFACTORY INCENTIVES, and guarantees to them LARGELY PROPORTIONATE RETURNS FROM OTHER BOOKS OR FROM ANY OTHER employment.
Agents now in the field are meeting with astonishing success.

FROM THE LARGEST MANUFACTURING CHEMIST IN THE WORLD.
I am acquainted with H. T. Helmholt, he occupied the drug store opposite my residence and was successful in his business, and was where others had not been equally so, before him. I have been favorably impressed with his character and enterprise.
WM. WEGTMAN, (Firm of Powers & Wegtmann,) MANUFACTURING CHEMISTS, Ninth and Brown Streets, Philadelphia.
[From the Philadelphia Evening Bulletin, March 10-11, 1866.]

We are gratified to hear of the continued success in New York, of our long-standing friend H. T. Helmholt, Druggist, who has just moved to the Metropolitan Hotel, is 25 feet front, 230 feet deep, and a fine story in height. It is certainly a grand establishment, and speaks favorably of the merit of his articles. He retains his Office and Laboratory in this city, which are also model establishments of their class.
The proprietor has been induced to make this statement from the fact that his remedies, although advertised as
GENUINE PREPARATIONS.

And, knowing that the intelligent refrain from using any thing pertaining to Quackery, the Patent Medicine order—most of which are prepared by self-styled Doctors, who are too ignorant to see a physician's simplest prescription, and are content to peddle their pharmaceutical preparations.
THESE PARTIES RESORT to various means of cheating sales, such as copying parts of advertisements of popular remedies, and finishing with anticlimax.
The science of Helmholt stands SIMPLE, PURE, and MAJESTIC—having Fact for its basis, and Induction for its Pillar, Truth alone for its Capital.

A Word of Caution.
Health is most important; and the afflicted should not use an advertised medicine, or any remedy, unless its contents or ingredients are known to others besides the manufacturer, or until they are satisfied of the qualifications of the party so offering.
